

Cross Crediting from ACE Programmes

ACE Core Programme

Students who have completed the ACE Core Programme and Supplement will need to do the following modules in the new ACE Programme before moving onto the ACE Advanced Programme.

Students will only need to complete:

Module 1

Module 4 — part pages 22 -29 (unit standard 11097) and pages 72 -90 (unit standard 23391) and in the Assessment- Task 2 (pages 6,7, & 8) and Task 4 (pages 11,12,13 & 14) of the Assignment

Module 7

Module 8 — part 2, Food Safety & Assessment– (questions 13 to 19 on pages 7,8 & 9) of the Assignment

Modules 2,3,5,6 and 9 are able to be fully cross credited.

Details are:

Module 2 & 3	= 5019 (from Supplement)
Module 4	= Exempt from some parts of this Module. Must complete pages 22 -29 (unit standard 11097) and pages 72 -90 (unit standard 23391) and corresponding sections in the Students Assessment
Module 5	= 5012: (from Supplement)
Module 6	= 5016 (from Supplement)
Module 8	= ACE Core Programme Topic 10 (Food Safety: part 2 of Module 8 and corresponding sections in the Students Assessment
Module 9	= ACE Core Programme Topic 8.

Further details:

5012	=	straight cross credit to 5012 (V4)
5019	=	split into two new unit standards 23386 & 23387
5016	=	new unit standard 20830

The ACE Core Programme also contained cross crediting from other Topics.

ACE Core Programme Topic 8	=	straight cross credit to whole of Module 9
ACE Core Programme Topic 9	=	cross credit to part of Module 4 see above
ACE Core Programme Topic 10	=	straight cross credit to part of Module 8

ACE Dementia Series

Students who have completed the ACE Dementia Series will not need to do any of the modules in the new **ACE Dementia Programme**.

Details are:

ACE Dementia Series Modules one to eight (includes unit standard 17029). = straight cross credit to the new ACE Dementia Programme and the four new dementia unit standards 23920, 23921, 23922, 23923.

**To arrange for cross crediting of these unit standards students
please contact Health Ed Trust.**

NOTE: If you have a student who has completed unit standard 17029 through another provider then they will only be cross credited unit standards 23920 and 23921. This means they must complete Modules 4,5,6,7 of the new ACE Dementia Programme.

ACE Core Programme Stage 2

Unfortunately there is no cross crediting from this programme
