

Attention all Enrolled Nurses

*Here's an opportunity to
maintain your professional
development hours*

Health Ed Trust has exciting new distance learning resources to help you to achieve your professional development hours at a time and a place that suits you.

Enrolled Nurses' Professional Development Series:

- *Complete two modules each year to meet professional development hours.*
- *Interesting and relevant topics that directly apply to your everyday practice.*
- *Choose modules that are important to you.*

Initial modules are:

- | | |
|---------------|--|
| • Module One: | Reflective Practice
<i>Compulsory, as this module is a "how to" for all the following modules</i> |
| • Module Two: | Scope of Practice |

Available 2011

2012 modules to include:

- Pain Management
- Safe Administration of Medicines
- Dementia, Delirium and Depression

Available 2012
