

Attention all Enrolled Nurses

Here's an opportunity to maintain your professional development hours

Health Ed Trust has exciting new distance learning resources to help you to achieve your professional development hours at a time and a place that suits you.

Enrolled Nurses' Professional Development Series:

- *Complete two modules each year to meet professional development hours.*
- *Interesting and relevant topics that directly apply to your everyday practice.*
- *Choose modules that are important to you.*

Initial modules are:

- **Module One:** Reflective Practice
Compulsory, as this module is a "how to" for all the following modules
- **Module Two:** Scope of Practice

Available 2011

2012 modules to include:

- Pain Management
- Safe Administration of Medicines
- Dementia, Delirium and Depression

Available 2012

Enrolled Nurses

*Keep up your professional
development
hours*

How does it work?

1. Each EN completes the individual purchase form and sends it to Health Ed Trust with payment.
2. Health Ed Trust sends module resources to the EN.
3. The EN works through the module and completes the Self Assessment Activities.
4. Support is available by phone or email.
5. Completed Self Assessment Activities are sent to Health Ed Trust for verification.
6. A certificate of completion is sent detailing module completed and number of hours.

Fees

Usually \$65 per person for Module One.
