

Cross Crediting from the ACE Core Programme or Fastrack to The ACE Programme

Summary for comparison

This table is prepared to help Students and Assessors to decide what option to choose if a Student has completed the ACE Core Programme topics 1 to 12 or the Fastrack that is attached to the ACE Dementia Series:

1. Get verification for Topics 1 to 12 then start the new qualification – The ACE Programme.
OR
2. Complete the Supplement then start the new qualification – The ACE Programme.

NOTE: Cross crediting happens when the **new** course papers are completed and moderated by Health Ed Trust.
