

Healthy Mouth, Healthy Ageing Oral Health Workshops

FREE
WORKSHOPS!

Following the success of last year's workshops, the New Zealand Dental Association is offering more free oral health care training workshops for caregivers of older people.

These workshops will provide an opportunity for hands-on training for caregivers of older people. A certificate of accreditation will be given by the NZDA to every facility that has at least 25% of staff trained in oral health care.*

Please make use of this fantastic opportunity to train your staff for free. Registration is a MUST. Book early to reserve your place.

Please note: Entry will be limited to a maximum of 5 people per facility, however these workshops will be offered regularly so watch this space.

Some comments from last year's attendees:

"The presentation was of a high standard and a good learning experience that was well delivered"

"Presenter has extensive knowledge-base of oral care and issues"

"An excellent workshop. Plenty to take back to my workplace to implement"

WORKSHOPS PROVIDED BY

* For accreditation certificate please contact NZDA directly. Tel: (09) 579 8001 Email: deepa@nzda.org.nz
