We agree that the On-site Assessors Course education materials are only to be used to educate employees of the facility specified on this subscription form, and I hereby warrant that this material will not be copied for or used by other individuals or facilities.

We agree to provide the equipment and premises required for education and training and I hereby warrant that the premises meet the requirements of the Resource Management Act 1991, the New Zealand Building Code to the extent required by the Building Act 1991 and that we comply with the Health and Safety in Employment Act 1992.

Signature of facility proprietor (or representative)

Date.....

While funding is available, Health Ed Trust is able to offer subscribers this valuable course for the above, subsidised fee. This is possible because the Community Support Services Industry Training Organisation (CSSITO) has offered financial support for the training of workplace assessors, in a partnership arrangement with Health Ed Trust.

The aim of this joint initiative is to increase access to national qualifications in the workplace.
